Sir,

As you are aware that a large number of children from Assam, have gone missing and many of such children are yet to be recovered. It is apprehended that most of the missing children have been trafficked within and outside Assam. The Govt. has taken this problem very seriously and the matter has been reviewed at the highest level. Although many children have been recovered in past due to good work done by Police, NGOs, Social Welfare Department etc. but it has been felt necessary to launch a month long co-ordinated drive involving stakeholders for achieving better results.

The drive has been named "Operation SUKHI XHOISHOV" and it would be launched on 10th of June 2017 for a month in the entire State. The period before launch date would be utilized for preparatory exercise so that the operation is successful. The aim of the operation is to-

- 1) To recover/rescue all missing children from within and outside Assam.
- 2) To rehabilitate the rescued children.
- 3) To provide free medical facility/ counseling to the rescued children.
- 4) To provide legal aid to the rescued children.
- 5) To take strict legal action against the perpetrators of crime as per law.
- 6) To prepare database of the victims and offenders.
